It's why McNamara's latest, "Dangerous Game: The Legacy Murders" may come as a shock. The R-rated mystery has a sizable body count, genre-style gore and some diabolical twists.

"It's a complete departure," McNamara admits with a chuckle. "I wanted to try something new."

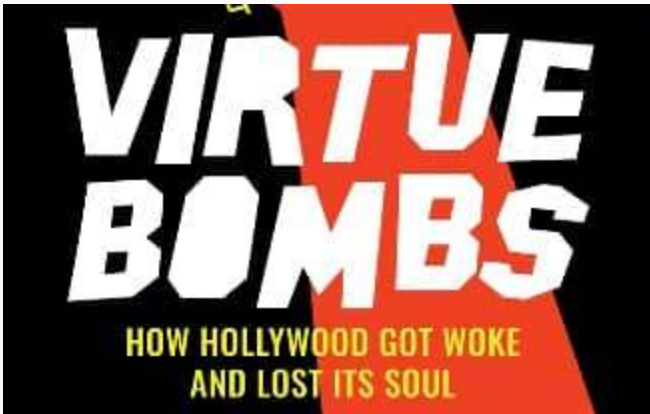

Mission accomplished.

DANGEROUS GAME: THE LEGACY MURDERS | Official Trailer
| Paramount Movies

“Dangerous Game” follows a dysfunctional clan gathering at the behest of its wealthy patriarch, played by screen icon Jon

RELATED: THE UNDENIABLE REASON ‘CLUE’ BECAME A CULT CLASSIC

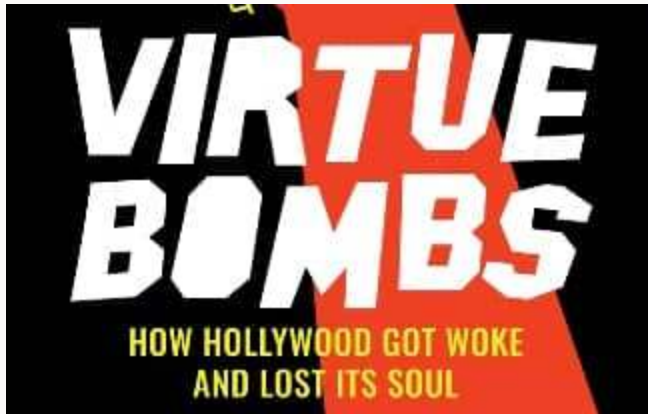

McNamara’s film canon doesn’t include any MCU fare or “Transformer” romps. He’s a personal director, telling stories

that uplift audiences. For “Dangerous Game,” he entered a new realm of splashy FX and horror-approved makeup.

In one scene, Voight’s character suffers an electric shock, forcing the actor to endure a sizable makeup update to show its impact.

president.
The film will be received warmly by Red State U.S.A., no doubt, but McNamara says the biopic doesn’t shy away from the president’s political hurdles, like the Iran-Contra scandal and the AIDS crisis.

The Gipper's remarkable career arc may come as a surprise to audiences.

"People hated him back in the '60s ... and he was done with politics for four to five years, and then he became president," he says.
