Janel Parrish (<https://www.justjaredjr.com/tags/janel-parrish/>) is starring in the trailer for her new movie!

The *Pretty Little Liars* actress plays Gina “Jean Jacket” Jackson in the upcoming film ***Mighty Oak***, alongside **[Alexa](https://www.justjaredjr.com/tags/alex-penavega/)** (<https://www.justjaredjr.com/tags/alex-penavega/>) and **[Carlos PenaVega](https://www.justjaredjr.com/tags/carlos-penavega/)** (<https://www.justjaredjr.com/tags/carlos-penavega/>), **[Raven Symoné](https://www.justjaredjr.com/tags/raven-symonee/)** (<https://www.justjaredjr.com/tags/raven-symonee/>), **[Levi Dylan](https://www.justjaredjr.com/tags/levi-dylan/)** (<https://www.justjaredjr.com/tags/levi-dylan/>) and **[Tommy Ragen](https://www.justjaredjr.com/tags/tommy-ragen/)** (<https://www.justjaredjr.com/tags/tommy-ragen/>).

Here's a synopsis: Gina and Vaughn are the sister and brother duo taking the SoCal music scene by storm with their band Army of Love. Gina "Jean Jacket" Jackson (**Parrish**) is behind the scenes as the savvy and determined music manager while her talented brother Vaughn Jackson (**Dylan**) is the gifted frontman of their popular band.

On the night of their biggest break yet, the siblings' bond is shattered when Vaughn is killed in a tragic car accident and Gina is unable to pick up the pieces of her life.

Ten years later, a 4th grade guitar prodigy named Oak Scoggins (**Ragen**) enters Gina's orbit, and she becomes convinced that this child must be the reincarnation of Vaughn. While Oak does have Vaughn's talent and some of his traits, Gina's friends become concerned with her decision to re-launch their long dormant band with Oak as the frontman taking Vaughn's place.

Oak comes from a disadvantaged household and as he is thrust into the spotlight, he finds that music is the perfect escape and the much needed outlet for his pain. Gina in turn finds an outlet for her grief and a way back into living life out loud and to the fullest.

Mighty Oak will be released in theaters NEXT Friday (June 5)!
