The soundtrack is available to download on all digital music services

Soul on Fire is directed by Sean McNamara with Joel Courtney, John Corbett, Stephanie Szostak, DeVon Franklin, Masey McLain and William H. Macy.

Directed by Sean McNamara (Soul Surfer, Reagan), written by Gregory Poirier and based on O'Leary's bestselling memoir, On Fire, this film is an emotional and faith-filled portrait of resilience as O'Leary not only battles to survive but ultimately discovers what it means to truly live.

From frontline workers to family members, and the support of the wider community, this film is a celebration of heroes.
